

How to Apply Logbook of The World QSO Credits To Your CQ Prefix (WPX) Award

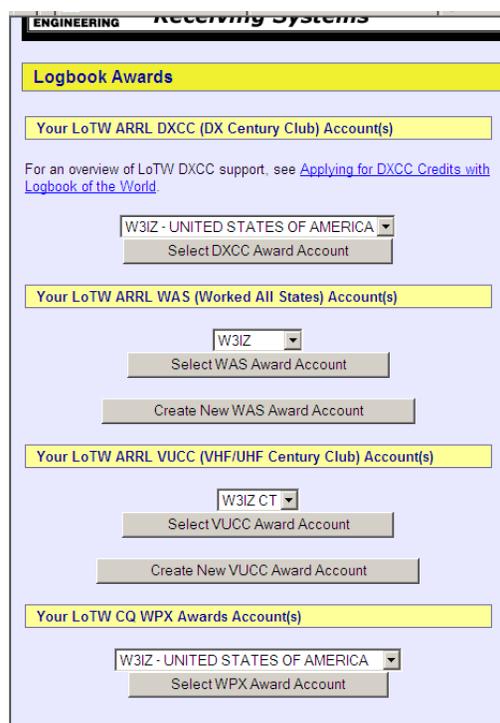

Logbook of The World users may now use confirmed QSOs in their LoTW account to apply for CQ WPX awards saving hundreds or even thousands of dollars in QSL expense. The Logbook of The World system will automatically create a WPX account for any call signs that you have in your LoTW user account. There is nothing for the user to do to maintain their WPX account.

Please note that ARRL is **not** the administrator for CQ awards. [CQ Magazine](#) will process and mail the awards as well as orders for plaques, pins and certificates. ARRL is simply providing a method for Logbook of The World account holders to apply confirmed QSOs in your LoTW account to the CQ WPX award. For complete information about the CQ WPX award please see the [CQ WPX Award Page](#).

Let's Get Started

1. Log into your Logbook of The World user account. Select AWARDS tab.

2. Select your WPX award account. WPX award accounts are created for you automatically by LoTW.
